

## Ideal for the Great Outdoors

## From Mountain to Ocean; Town and Country

**SUNPASS**: the first sun care range to be developed exclusively with the world-famous **Ecole de Ski Français**. Tried, **tested and proved over 3 years in extreme mountain** conditions by 15.000 ski instructors from 220 french Ski Schools.

**SUNPASS** assures you the double benefit of **security and high protection**, as well as protection against **skin-ageing and wrinkles**.

**SUNPASS** is **PARABENS-free**

*-The high performance UVA/UVB filters are organic and mineral, photostable and leave no unsightly white layer on the skin; ensuring the strongest protection in extreme sun conditions (snow reflects 90%, sand up to 25% of the sun's rays)*

*The incredibly sensuous textures are non-sticky, non-greasy and can be used daily as a make-up base (Radiant complexion cream), or as an anti-ageing cream ((Anti-wrinkle cream)*

**SUNPASS formulated under dermatological control** is **FREE of alcohol, artificial colouring**(except radiant complexion), and **parabens**; it is **non-comedogene, is water-resistant and contains antiseptic and soothing properties**

## High Protection SPF50

### Anti-Wrinkle Cream with Silicium

Enriched with extracts of silicium which is well known for its anti-wrinkle, moisturising properties, as well as a cocktail of the anti-free radical nutrients vitamins B5 and E.

It preserves the skin's elasticity and protects from signs of ageing while promoting a lasting tan. An essential anti-ageing ally for mid-winter.

40ml tube with an anti-drip clasp

## Radiant Complexion Cream

Enriched with bronze pearl particles, it illuminates tanned skin from the first days in the sun and with no fear of the effects of extreme sun exposure.

Thanks to a combination of moisturising agents and anti-free radical ingredients (Vitamin E ,B5 and fir essential oil) the Radiant Complexion Cream smoothes fine lines and reduces redness.

Ideal for sportspeople and for a completely natural look.

40ml tube with an anti-drip clasp

## High Security Cream for Children

This ultra-protective sunscreen enriched with the anti-free radical agents vitamins E and B5, is non-drying, non-irritating and maintains a supple and comfortable skin.

Ultra-safe, non-photosensitive, non-phototoxic, free from colourings and perfume.

Also contains an anti-pollution filter.

40ml tube with an anti-drip clasp

## Combistick-Anti-Wrinkle Cream and Lipstick

Ultra-practical 2 in 1, compact and easy to use. The anti-wrinkle cream for the face and the balm to protect lips.

Creamy soft as a downy cocoon, the balm's texture is water and perspiration resistant. It contains the anti-free radical Vitamin E and has an emollient base to protect against chapped lips.

This indispensable protector is part of a new travel range designed to fit neatly into your pocket and go anywhere with you in any outdoor activities

20 ml tube SPF 50/2 gr.lipstick SPF 50

## After Sun

### Soothing Cream with aloes extract, prolongs the suntan with carrot extract

After a day spent exposed to the sun and cold, skin is "thirsty".

Thanks to aloes extract, enriched with apricot kernel oil and allantoin, help the skin to recover its suppleness and comfort.

This smooth and voluptuous emulsion results in a more radiant and longer-lasting tan thanks to extracts of carrot. The result is moisturised, velvety, fresh-looking, and lightly tanned skin that can breathe.

40ml tube with an anti-drip clasp
